Worthys Festival 2011

- * The Worthys Festival is a celebration of life in the Worthys.
- * It will involve as many different community groups and organisations as possible, and will include events which will appeal to the whole community, old and young, artistic and musical, sporty and sociable.
- * The Festival is to be held over nine days from Saturday 17th September 2011, with venues all over the villages, including Eversley Park, both Churches, both pubs and the Sports & Social Club, and all community halls and open spaces.
- * The aim of the Festival is for everybody involved to have fun and to develop and encourage a strong community spirit. In addition, all the organisations and groups taking part will increase public awareness of their activities, and encourage new people to join or participate more.
- * Local charities and community organisations will have the opportunity to fundraise, but the Festival itself is intended to be non-profit making. Local businesses are being encouraged to support the Festival through Sponsorship and advertising in the Programme which will be delivered to all local households. Local people are being encouraged to become 'Friends of the Festival'.
- * Whilst the Festival has the support of both Parish Councils, the church and most local organisations in the Worthys, it is fully independent of any one group.
- * In order that the Festival is seen as an enterprise for the whole community, it is being organised by a steering group of volunteers, under the leadership of local city councillor Jane Rutter.
- * All meetings will be advertised on the village website and be open to all.

This is a flavour of the Festival events which have been suggested so far. It is subject to change, and anybody who would like to come forward with further ideas is most welcome!

Thank You!

The Festival Steering Group is most indebted to the many wonderful people throughout the Worthys who have volunteered their time and effort to organise all these events. Their contribution will make the Festival a great community success. Please see the Festival Web Page for up to date information and more ideas as to how YOU too can get involved.
